

COVER PAGE

What does it mean to live an ethical life?

Approximately one paragraph

What ethical problem will I address?

Approximately four paragraphs

What is the project?

This should be the bulk of your application. You should explain your primary questions, your methodology, any problems that might arise and how you plan to address them, and how you will produce your final product.

Dates of Project

Give a timeline for your project. Where will you be from week to week and what will you be doing?
